

Letter of Recommendation

May 11, 2026

To Whom It May Concern:

I am pleased to write this letter of recommendation for Carolina Raudales. Carolina has been a student in my Civics class at Coalinga High School and has consistently demonstrated excellent character, responsibility, and a strong work ethic throughout the school year.

Carolina is one of the most dependable and hardworking students I have had the opportunity to teach. She has maintained excellent grades all year and approaches every assignment with dedication and professionalism. She is respectful, motivated, and always willing to put in the effort needed to succeed.

One of Carolina's greatest strengths is her ability to communicate effectively in both English and Spanish. Her bilingual communication skills, along with her teamwork abilities and positive attitude, allow her to work well with others and adapt easily to different environments. She is also highly responsible and can be trusted to complete tasks independently and efficiently.

In addition to her academic success, Carolina has volunteered at the Boys & Girls Club, where she assisted with programs and helped maintain a positive environment. This experience reflects her willingness to help others and contribute positively to her community.

Carolina is kind, professional, dependable, and eager to learn. I am confident she would be a valuable addition to any workplace and would represent your organization with maturity and integrity.

I strongly recommend Carolina Raudales for employment opportunities. Please feel free to contact me if additional information is needed.
